**Thank you.**

I had a lovely opportunity to work in the classroom with students this week. On Wednesday we shared the picture book, Chalk Boy by Margaret Wild which was about a footpath artist and his drawing. Students then had a turn working with chalk on black paper— we hope you enjoy looking at our pictures as much as we did creating them.

## Class 2

Class 2 students have been learning about area and perimeter in Maths. This week, students were asked to code a Sphero to travel in a rectangle. They were then required to place masking tape where the Sphero travelled. Next, students calculated the area and perimeter of their rectangles.

Students worked hard and they enjoyed incorporating the Spheros into their Maths lesson.
